EN EL CAMINO ANDAMOS

Permanent exhibition
By: HANZ BONILLA

En el camino andamos...

El paisaje del México que conocí, el de las mujeres de pies descalzos, el de las tortillas hechas a mano, el México de cocinas vestidas de humo, de colores y sabores, donde la tradición existe y permanece cubriéndonos de gozo; pueblos mágicos que se tiñen multicolores en sus mercados, pueblos de niños jugando, de hermosos atardeceres entre las calles empedradas y lodazales. México de gente sencilla y natural.

Como los arrieros somos y en el camino andamos....

On the road we walk...

The landscape of the Mexico that I knew, that of women with bare feet, that of handmade tortillas, the Mexico of kitchens dressed in smoke, colors and flavors, where tradition exists and remains covering us with joy; magical towns that are dyed multicolored in their markets, towns of children playing, of beautiful sunsets between the cobblestone streets and mudflats. Mexico of simple and natural people.

As the muleteers we are and on the road we walk....
